CALL FOR EXAMINERS

CTA & TSTA Exams - in Ljubljana, Slovenia on Thursday **3rd of July 2008**

Dear Colleagues,

This is a call for examiners for both the CTA and TSTA examinations and also for volunteer supervisees and audiences for the TSTA examinations.

We are once again asking for as many examiners as possible to make them selves available for the Exams in Ljubljana, Slovenia.

We don't know how many candidates we will accept because we need to know before how many examiners will be available. TA is a great success in Europe nowadays, more and more people want to be certified, and COC faces several problems in organizing exams due to lack of examiners, mainly at TSTA level.

We have yet established a waiting list for candidates: it is a hard decision because we may stop the enthusiasm of colleagues who want to undergo the exam, and because it is very unpleasant for them not to know when and where they could finally be examined. I imagine that all of you, certified members, remember how big the commitment to face the exams is, and how stressful it can be. Our colleagues do not need this surplus of stress. It will be very important to offer fair exams to our colleagues also because we are in a region of Europe where our community is growing fast and well.

The exams will be on the **3rd of July 2008**, the examiner's and candidates' meetings will be held on the day before, **2nd of July**, in the afternoon.

Please respond to this as soon as possible. If for any reason at a later date you realise that you cannot be present at the exam site please let us know as soon as possible. Thank you very much for your support of our TA community!
